Commander's Corner

"Wreaths Across America" will stop in the Town of Whitehall on Lorewood Grove Road, on 17 December around 1130 am, is being coordinated by our Gold Star Mother, Judy Faunce. Judy has asked for assistance from the Post to set up chairs for the guest, and then afterwards to take them down. Six to eight men will probably do well. Any of you ladies that would bake some cookies to go with the donated meals for the caravan members was also discussed.

I believe the permits for the new building have been issued to begin the first phase of construction on the actual building. I'm not sure if the demolition of the garage and pavilion will be before or after this stage, but I believe WU is on schedule to allow that to proceed.

The new door key cards will be available for all 2021 paid up members. You must have your 2021 paid membership card to show the bartender in order to get the new door key card. After 31 December, if you are not paid for 2021 you will be delinquent, and need to make payment to use the canteen. I have asked many times for all members to get the dues paid to help the Post's standing in the Department of Delaware. Please do your part to help the Post achieve these membership goals.

Also, please support the Post canteen when you are able to do so. We have a serious need for that support these days. All efforts are being done to make it a safe and a welcoming environment for your enjoyment.

This past Friday, we had a scaled back version of our Black Friday of the past. Because of the new 30% occupancy regulation by our Governor, John Carney, we must do the same for Christmas and New Year's Eve. We are allowed 198 by the Fire Marshall, we were cut down to 60% at 118, and now at 30% at 59. In addition, we are still required to maintain our six foot distancing. When we develop a workable plan an announcement will be more than likely only be posted in the canteen..

Please support the Legion.

Hi Ladies! We hope you and your families had a nice, safe and healthy Thanksgiving. A memorable one for sure. Here's praying for a return of normal for next year.

Christmas is right around the corner. It seems to come around quicker and quicker each year. We are certainly going to miss visiting with the Veterans in the CLC at the Wilmington VA Medical Center, going to the Veterans home and bringing desperately needed items to them and providing our children with a truly wonderful Christmas party, starring Santa Claus, only to name a few.

Keep saying your prayers for the resolution of this pandemic. Please pray for those who have been afflicted with this illness, those who have fallen ill, their families, and for those who have who have succumbed to this un relentless virus. Please continue to do your part.

Our next Aux. meeting is to be held on Dec. 13, 2020 @ 3:00pm. No updates at this time regarding the shuffleboard league.

We would like to wish everyone a Merry Christmas, Happy Hanukkah and a Happy New Year! Please stay safe, be well and don't forget to get your flu vaccine.

If you know of the passing of one of our brothers or sisters, please share it with the rest of us. While we may not see everyone as often as we did

before, we do care.

Gather the information or put the family in touch with me and we will put together an appropriate notice for our newsletter.

We need to honor them for all they did for us. Thanks!

Bill of Rights Day

Did you know that the Bill of Rights was not part of the original constitution? These ten amendments were passed and added to the constitution on

December 15, 1791. For those who do not know the 10 rights referenced, here they are:

- Freedom of Speech
- Right to Bear Arms
- Protection of Homeowners not to house troops
- Right against unreasonable search and seizure
- Right of due process
- Right of a speedy trial by a jury of your peers
- Right for a trial by jury in civil cases
- Right from cruel and unusual punishment
- Protection of rights not specified in the Bill of Rights
- Power of the States

Now you know and why each generation needs to protect them!
